Dear Parents/Carers

George Singer

On Thursday some of our students attended the London Road cemetery to do some maintenance on George Singer's grave. He was a pioneer of automobile and cycle development. He was also the Mayor of Coventry. Mr Singer designed the old house and had it built for his family home in 1891. So is a big part of Coundon's history. As a school, we have recently taken on the responsibility of supporting the maintenance of the grave site in respect of his history at Coundon Court.

As such Coundon Court has taken on the upkeep of the grave due to his links with the school. A team of 11 students across Y7-Y10 worked very hard to clean the effects of winter weather and mother nature to bring the grave and surrounding plot up to a grandeur befitting its status.

Well done to our volunteer students:

Maise F, Freddie W, Lucy E, Rashwina M, Chloe P, Millie C, Jacob P, Jan F, Kyle E, Maya I, Sophie S

They have been awarded a gold coin on class charts for their time and effort.

Year 12 Employability UK Tech Boss Challenge – Coundon Court Winners!

In the Autumn term, Coundon Court Sixth Form were selected to take part in the Tech Boss Challenge. A group of Year 12s (Livvy W, Ben W, Yad M, Joe L, Adeel H, Leera A and Joravar P) have worked on a problem in a series of sessions over the Spring Term, building up to a presentation of their solution to the proposed problem.

On Tuesday 25th April, the group presented in-front of representatives from Employability UK, Kagool and their competing schools. The presentation was outstanding, they confidently led their own sections of the talk while also working seamlessly as a team and clearly communicated their solutions to the presented problem.

The judges clearly agreed, as Coundon Court came away as the victors!

We are incredibly proud of the students for their hard-work and diligence in putting this presentation together and for the exemplary teamwork and planning that they demonstrated – all on top of keeping up with their A-Level studies. Well done team!
