Year 11

Year 11 have made an excellent start to the term and are working hard for the mock exams. Art students have started their preparatory work for their GCSE final 10-hour exam. Each student has personalised resources and support sessions are available each day after school to allow them access to specialist material and equipment in classrooms. Thank you to everyone that has applied to 6th form, the interviews will start next week. Students that do not wish to continue into 6th form have been busy applying to college and apprenticeships and many students have already secured conditional offers.

We look forward to seeing all Year 11 with parents/carers on the 19th of January for the exam preparation information evening.

Warm Winter Coats

We have a collection of great condition second-hand coats that have been donated to the school. These have come from outside our school and been washed, so there is no stigma attached to having someone else's coat. We have a range of styles and sizes (adults too).

If your child is without a coat, please advise them to come and find Miss Abberley who will discreetly give them access to pick a suitable coat from the office in the technology block.

Alternatively, email the students name to Community@coundoncourt.org for additional support in getting a coat to them.
