

17th February 2023

Dear Parents/Carers,

I wanted to wish all of our school community a happy half term. We look forward to welcoming all of our students back on Monday 27th February at 8:30am.

You will have also received a letter attached to this briefing regarding the upcoming planned strike action on Wednesday 1st March. Please read this carefully to understand how this will effect your child's school day.

Please note we are aware of an incident that took place in the community yesterday after school which did not involve our students. We have liaised closer with the relevant people in the community and with local schools and are confident it was an isolated incident.

Finally, to all Year 11 parents, please note as a gentle reminder that our Year 11 mock exams are set to start straight after half term. All students have been given a timetable so they are aware of when these are. We have also placed these on our website for your information: [Exam Information - Coundon Court School](#)

Parent Feedback request

We would like to gather further feedback based from parents regarding your view of the school. We have assembled this short questionnaire which we would be much appreciated being completed.

We will leave this open until 11th March when we will gather the feedback and then share this with you in due course. Following your feedback, we would also like to invite individuals into school to discuss ways that they feel that the school can be improved.

The questionnaire can be found here: <https://forms.office.com/e/k2WgaVY3KX>

Tutor Stars of the Week

Students are recognised for their efforts during the week by their tutor. Tutors nominate their star of the week for student's commitment to their studies and achieving our Coundon core values of hard work, kindness, and respect.

Well done to the following students who have been awarded star of the week this!

Coundon Court 5-0 Stoke Park

In an eagerly anticipated cup tie Coundon court hosted Stoke Park on a cold Friday after school. The game started at a fast pace with Coundon creating lots of early chances and Lucas C opening the scoring with a finish at the keepers near post. Steven and Lucas again added to the scoreline to finish the half at 3-0 up.

After the break, Coundon continued to put pressure on Stoke parks defence and Coundon then managed to score two more goals both from Olly C which included scoring directly from a corner.

It was a great team performance with the goalkeepers and defence keeping a clean sheet to see Coundon through to the next round.
