Principal: Mr. C. Heal.

Deputy Principals: Mr. S. Mohamed & Mr. P. Nealon.

18th November 2022

Dear Parents/Carers,

Thank you for all of your support regarding our Children in Need day today. It's been brilliant to see the whole school community getting behind a really valuable cause. As a result of today's fundraising, we have raised a fantastic amount of money. The final total will be confirmed on next week's briefing once it has all been collected and counted. This will now go to help children all across the UK who need it most.

House Crest Competition

As I detailed last week, our House Crest Competition has been running for a few weeks and we have had some exceptional entries! We wanted to share with you some of the entries which will now be judged and winners selected. The winners will have the privilege of seeing their drawings be professionally designed so they can be part of the Coundon way for many years to come!

Year 7 Netball team

The girls have had a great start to the season, with one win and one loss against President Kennedy. We have many girls who play outside of school this year and others who have never played before. The girls are working well as a squad to help support each other in developing their skills and talent into a strong and committed team. I look forward to the seeing them develop as a team throughout the rest of the season!

Rugby World Cup

Former Coundon Court student, Leanne R (I), played an important role in the England Roses Rugby World Cup campaign, which ended with a narrow defeat to New Zealand in the final, 34-31 on Saturday. Leanne played at scrum half in the narrow loss, but also in the wins versus, France, Australia and the tough semi-final win against Canada. Leanne, and her sister Laura, were both outstanding in sport and PE and the school are very proud of Leanne's achievements!

Well done, Leanne!

Anti-Bullying Week 14-18th November 2022

This week during tutor time and through our assemblies we have been celebrating Anti Bullying Week. Coundon Court has a zero tolerance for any form of bullying. Our core values of Respect and Kindness underpin all aspects of Coundon Court and our pledge to support our students in 'Reaching Out' against bullying.

As an Anti-Bullying Alliance Gold School, we were invited to discuss how we support students and staff in tackling bullying and presented this across primary and secondary school nationally this week. We look forward to working with a number of secondary schools this year to support our pledge to stamp out bullying across the country.

Coundon Court is United Against Bullying

Community Cohesion

Please let us know ways in which you feel Coundon Court get involved in the Coundon Community?

Do you have any upcoming projects that would benefit our local community or any ideas of what our community needs and how we may help?

If so, please email community@coundoncourt.org

Yours sincerely,

Mr C Heal
Principal
