

23rd September 2022

Dear Parents/Carers,

I wanted to say a huge thank you to all of our Year 7 parents who attended our Meet the Tutor evening on Thursday night. It was fantastic to see the hall full and to hear about the positive experiences the students have had since starting with us. We were also thrilled to see many ex-students who have now sent their children to Coundon Court and to hear about their memories of coming here as students.

Coventry Music

On Thursday we welcomed Coventry Music who visited us to do workshops with our students over the course of the day. The students' enthusiasm for music really shone through and the organisers were incredibly impressed with their attitude to learning – it was fantastic to see!

Student Voice

A big congratulations to Poppy and Megan in Year 8 and Mikey in Year 13 who together, gave a presentation to Coundon Court Governors and staff on Tuesday evening about their work with the Student Voice. They all spoke confidently and clearly explaining to the Governors what being part of the Student Voice means and what they set out to achieve. They reported that being part of the group meant it was important they listened carefully to the everyday thoughts and opinions of fellow peers and were able to share these views for discussion in Council meetings.

Other aspects the students spoke about included the successful fundraising efforts for Children in Need and Comic Relief including the marketing and selling of merchandise in fun, creative ways around school and promoting awareness of a range of topics to tutor groups. They were also excited to explain the work they did as part of Eco-Club which included commemorating the Commonwealth games by planting trees at Coundon Court in the hope of leaving a lasting legacy.

Netball Umpire

A big well done and congratulations to Millie C, who passed her netball umpire assessment on the 21st of September. She is now qualified to umpire netball league games and can progress on to her C award! Millie has been working hard to achieve her qualification over the last few months - with her umpiring mentor stating, "She smashed it!" The Coundon Court PE department are really proud of Millie's fantastic achievement.

Yours sincerely,

Mr C Heal
Principal
