

30th September 2022

Dear Parents/Carers,

It's been another busy week here at Coundon Court! Below is a short summary of what's been going on in school this week.

Our New Build

The building work around the school is progressing at a rapid pace. Our temporary sports hall and reception areas are almost complete. These have gone up incredibly fast and it's been brilliant to see the progression in this area of the site in recent weeks. These are set to be completed shortly after October half term. We will update you nearer the time with regards to any updated arrangements regarding reception and accessing the school site.

On Wednesday, we also welcomed senior colleagues from the Department for Education, Wates and Mace (our building contractors) to 'officially' launch our extensive re-development work. Students from across the school participated in the ceremony and had the chance to ask questions of our senior colleagues regarding their leadership and industry.

They were a credit to the school and our visitors continued to comment on how well they carried themselves as well as applauded the quality of the questions they asked.

School Website

I am pleased to announce that our school website is being re-developed and is set to re-launch in January 2023. In preparation for this, we welcomed a highly experienced school photographer on Wednesday to ensure the images for the new website truly reflect the brilliant things we do in school. We are all excited to see the finished product in January!

Yours sincerely,

Mr C Heal
Principal
